

SERVICE ANNOUNCEMENT

WE'RE IMPROVING
SOME OF THE
EXISTING NETWORKS
AND EQUIPMENT IN
YOUR AREA.

SERVICE INTERRUPTIONS WILL OCCUR ON:

COMCAST BUSINESS

**WE ARE ALWAYS WORKING TO
PROVIDE BETTER EXPERIENCES
TO OUR CUSTOMERS.**

THIS INCLUDES IMPROVING
AND EXPANDING OUR
NETWORK INFRASTRUCTURE.

Here is what to expect so you can plan accordingly

- Your Business Internet, TV, and Voice services may experience intermittent interruptions and in some cases, a temporary loss of service.
- We might need access to the utility easements which may be located inside of your building in the maintenance rooms, utility rooms or telecommunications closets.

Avoid missing calls to your business:

If you have Comcast Business phone service, you can automatically forward calls to a pre-determined phone number.

Simply activate the **Call Forwarding Not Reachable** feature online through your My Account, business.comcast.com/myaccount, or through your office phone by pressing *58 and following the menu options. Use *59 to deactivate.
